GREETINGS

We take great pleasure in offering for your approval a selected list of the newer varieties of outstanding merit, together with the best of the standard varieties.

We have received some fine reports on results obtained from our bulbs this past season, and wish to thank our many customers for their patronage, and hope to serve them again when placing orders in the future.

Please place your order early to avoid disappointments as some stocks are small.

Visitors are always welcome, one-half mile north of Conneaut Lake Park. NEAR GREEN TREE.

1941 RELEASES

By Dr. Geo. H. Scheer, Hybridist, Sheboygan, Wis.

WHITE GOLD— A cross of Maid of Orleans and Picardy. Color is Creamy White with a rich yellow throat. Large decorative type with 18 buds, 6 florets open and 5 showing color. The 7 inch florets are ruffled, triangular and wide open. Substance is heavy and placement excellent. Flower head 24 inches, height in field 60 inches. Bulblet production heavy and germination good. Blooms in 62-70 days.

Any size bulb \$3.00 each.

MARSEILLAISE— A tall red which shows upward of 25 buds on a sturdy straight spike. The color is a rich crimson with only a fine line of white on the lower petals, very large and attracts much attention on account of its size and color.

Large bulbs \$2.00; medium \$1.50; small \$1.00.

— Our First Introduction —

RAGGED ROBIN— A sport of Commander Koehl, strictly a novelty: same color and growth as its parent, but with cream spurs around edge and back of florets, very lacinated and ragged, attracts much attention.

Any size bulb 50c each.
